

Common Areas

Common areas in exclusive enclaves such as Arbour Village are ideal ways to build community with your neighbours. To entertain your friends and family. And to make new acquaintances.

At the heart of 100 Arbour Way are common areas dedicated to relaxation, leisure activities and community-building for Arbour Village residents and guests.

A 2,000 sq. ft. space on the main floor of the condominium contains a private library and an open-concept club room and kitchen. The club room is available for games, such as cards and billiards, meetings, receptions and other activities. For live shows, movie nights, seminars and similar group activities, the room can accommodate row seating.

Connected to the club room with French doors is a sizeable outdoor patio for dining and entertaining. Barbeques, tables with umbrellas and chairs offer comfort and convenience. Dine under the sun or stars — it's your space.
